

Archive

To guarantee long-term digital preservation, content published in ALTERNATIVE Quarterly Academic Journal open access journal – as is the case for many other academic journals – is deposited under the special category – “Archive” in the official site of the journal. ALTERNATIVE is committed to the long-term preservation of all published articles. All articles published by the journal are preserved by ALTERNATIVE www.alternative.am. All issues are also preserved and archived by the National Library of Armenia and available on <https://tert.nla.am/mamul/Ailyntranq2011/Table.html> In addition, journal encourage authors to archive the published version of their articles on their institutional repositories and as well as other appropriate websites.
